

Belgium: Textiles sector

Updated: 31 March 2020

Trade unions in Belgium have been successful in attaining measures for workers in the textiles sector in relation to the impact of COVID-19 on the sector.

These measures include:

1. **A joint declaration on safety measures and social distancing.**
2. **Additional temporary unemployment allowance** (13/03 to 14/05) of 2,60 euros per day (2,17 euros in a 6 day/week scheme). This supplement is only granted for temporary unemployment for economic reasons.
3. An increase in the employers' contribution to employees' **meal vouchers** by 2 euros for employees who continue to work.
